**Website: [Olympiads.hbcse.tifr.res.in](http://Olympiads.hbcse.tifr.res.in) and/or [www.iapt.org.in](http://www.iapt.org.in)**

Olympiads are internationally recognised competitions in various fields of knowledge. They are the highest level examinations and are hosted by different countries every year. The Olympiads Examinations are conducted in mathematics, physics, chemistry, biology, astronomy and junior science. The broad goals of the centre are to promote equity and excellence in science and mathematics education from primary to undergraduate college level, and encourage the growth of scientific literacy in the country.
