Senior -> 11:15AM to 12:35AM

Date: 14th December, 2024

Allowed Categories:

Junior: 8th Grade and Below

Senior: 9th Grade to 12th Grade

Team Size:

1-2 Members [Max teams per category: 15]

Time Limit: 60 Minutes

Competition Rules:

- All participants MUST report 15 minutes prior to the competition start time, and late entries will only disadvantage the participants themselves.
- Each team will be given one computer.
- There will be 3 Problems
- Partial points will be given for solutions that don't pass all test cases.
- Usage of the internet is strictly prohibited and any non-compliance will result in disqualification.
- Languages Allowed: C\C++,Java, Python.
- In case 2 teams get the same number of points, then the team which submits their solution faster will get the priority.
- In the very rare case that 2 teams submit at the same time as well, a tiebreaker will be conducted.
- The judges' decision in any case is final.
- The rules of the tiebreaker will be informed before the competition starts.
